

Cannabis10x Launches Yet Another Top Cannabis Franchise Brand, DreamZ

Dreamz is a Vertically Integrated Cannabis Dispensary Based in New Mexico, Seeking New Franchisees With the Help of Cannabis10x Franchise Brokerage

MANHATTAN, NEW YORK, UNITED STATES, October 6, 2022

/EINPresswire.com/ -- [Dreamz](#) is a vertically integrated cannabis dispensary franchise chain that is taking the industry by storm together with the help of [Cannabis10x](#) franchise brokerage.

Dreamz has a strong founding team that is no newcomer to franchising or the cannabis industry. The founding team of Dreamz cannabis dispensary franchise is also the franchisor of the successful, multi-state, CBD franchise brand, [CBD Pros](#) USA. With their own cannabis cultivation facility and retail outlets, Dreamz is their own supplier and is positioned to franchise retail dispensaries across the United States.

Dreamz founder, John Fisher, emphasizes, "I'm really excited to work with Cannabis10x, they're a leader in the franchise industry and we're excited to meet with strong new franchisees". Dreamz Cannabis offers franchisees a low cost, ease of entry in to the cannabis market with a solid franchisor and proven track record.

Dreamz Cannabis franchise offers three exclusive models catering to the experience of the franchisee:

Cannabis10x Franchising

Dreamz Dispensary Franchise

- Management Model
- Conversion Model and the
- Standard Model

The Industry's only Management Model is meant for franchisees who do not want to work in the day-to-day operations. A fully trained manager, well versed in the companies Standard Operating Procedures is assigned to your franchise location and runs the daily operations. This is a hands-free option for the franchisee.

The Conversion Model is meant for franchisees who want to enter a state that has not yet fully legalized THC cannabis and sets up a footprint of dispensary outlets that sell CBD while positioning for the license applications when the state opens up.

“

3 of the top 5 ranked Cannabis franchise brands in the US are Cannabis10X Brands”

Green Market Report

The Standard Model is for the franchisee to step in as the operator themselves and is a financially lean way to get started. You will be fully trained and run operations, hire your managers and staff.

Jason Tropf, Founder of Cannabis10x adds, "Dreamz is really a breakthrough franchise model in a breakthrough industry with an experienced management team boasting all profitable stores"

Cannabis10x, founded by Jason Tropf and Holly Ford, assists the average small business buyer who enters the market immediately realizes there is an advantage to franchising over the steep learning curve that the cannabis industry entails. Dreamz franchisees take advantage of resources that a newcomer would take years to acquire. Once part of the network, franchisees join an incredibly effective team. You'll be touring the facilities behind the scenes and receiving training from some of the best in the industry. You'll learn best-selling products and methods of doing business that help you avoid the traps by which most newcomers are ensnared. The ongoing support begins with assistance in acquiring a license, site selection, store build outs, best-selling inventory, employee training, grand opening and ongoing marketing; everything you need to stay fully compliant and profitable so that it's done right the first time based on extensive operational experience.

You'll join a core team of cannabis experts that are not only in the core business of product development and retailing but have extended networks that include public policy makers and legislators who wrote the cannabis bill in several states so you stay one step ahead of the game. This team is at your disposal to assist in everything required to run a tight, profitable business

such as acquiring cannabis business licenses, safe banking relationships, award winning product development, vendors relations and more.
