Washi tapes add a touch of fun and vibrant colors and patterns to paper crafting projects. Altenew washi tape sets come in a variety of fun, colorful, and exciting designs - from florals to galaxy to ombré. Perfect for cards, scrapbook layouts, and even DIY home decor, the unique

wide washi tapes are total game changers in the crafting community. Washi tape lovers were stunned with the creative, colorful, and versatile wide washi tapes that were first introduced by this paper crafting company.

For crafters who love sparkle, Altenew's sequins collection is the perfect craft room companion.

Crafters looking to jazz up their handmade paper crafts heavily rely on the Altenew enamel dot stickers. These enamel dots are perfect for adding a touch of color and shine to any DIY projects - from handmade cards and scrapbook pages to bullet journals and DIY gifts. The Altenew enamel dots are uniquely sold in various shapes and sizes coordinating with the popular Altenew color families.

Shared Heidi Sullivan, an Altenew customer, "I think that Altenew Enamel Dots are the best I have found so far. I love that the dots are graduated in size and on the same card you have a color range of three values and as if that were not enough, you also get stars, hearts and arrows. I can't have enough!"

Everyone loves beautiful stickers, and Altenew's vast sticker collection is like heaven for paper crafters. The multi-purpose stickers add a classy and gorgeous touch to a wide variety of paper crafting projects. From elegant florals to adorable felines to lovely envelope seals, the diverse beautiful stickers are versatile enough to be used as either embellishments or focal points in handmade cards, scrapbook layouts, journal pages, and other projects.

Artists looking for a metallic touch to their projects are thrilled to use the Altenew Metallic Threads. These stunning thread spools add a touch of sophistication and elegance to a variety of paper crafting projects. The Enchanted Gold, Antique Gold, and Silky Lilac threads add beautiful
