"Life is supposed to be about chasing our dreams and enjoying each day. For me, forgiving myself for my past sins is hard most of the time. But we all must encounter that and continue to move forward into the light. I'm so grateful to everyone who walks beside me on this journey. Because I need you, and you need me. Once upon a time, I forgot that God has always stuck with me, even though I haven't always stuck with Him. I will do everything in my power to give you the

best performance that I can give. All I will ask from you is to suspend your disbelief & believe in magic, even if it's just for a moment. Thank you for all the love that you bring." - INFJ Kenzo

#### About INFJ Kenzo

Jamel Hansen, professionally known as INFJ Kenzo, hails from Santa Monica. He was first seen in the streaming scene in January 2022 with his debut track, "Overblown," teaming up with Death Row Records' former executive producer Darren Vegas.
