ABOUT THE HBCU NATIONAL CENTER FOUNDATION:

The HBCU National Center Foundation was established in 2021 with a gift of \$1M by Honorable Jacqueline Lewis, educator, and philanthropist.

The Foundation provides grants for two purposes: internship support for HBCU career centers and free housing for interns. These grants address the structural inequity of housing in Washington and clear a path from education to transformational careers for HBCU students.

In 2021, Lewis was inspired by President Biden's call for diversity in the Federal Government and

Mackenzie Scott's gifts to underfunded schools. This initial gift provides for 175 students to participate. For additional information, visit HBCUNC.org.
