

Afrobeat artist Joseph Lanyo is getting ready to celebrate his 23rd birthday with a brand new single “Be the Key”

Artist Joseph Lanyo combines the rawness of pure vocals with musical composition

CINCINNATI, OHIO, UNITED STATES, September 23, 2022 /

EINPresswire.com/ -- The new single “Be the Key” from Joseph Lanyo marks a significant shift in his musical career, providing newfound artistic freedom. Lanyo recognizes this song as an outlet for expressing himself without restraint. “Be The Key” is a celebration of an amazing year for Lanyo as a recording artist, one that has resulted in significant introspection and growth.

Music producer Thatboyjimmy created “a sick beat that really moved me to be authentic and genuine”, Lanyo shares. “Max, my engineer, took it to another level by adding live instruments.” Lanyo continues “I’m excited to see the reaction it gets from my listeners and the impact it has on their lives.”

He acknowledges the creation of this song has already changed him as an artist, prompting him to take initiative in personal growth and pursuit of dreams. The drive and inception for “Be the Key” was internal and personal. Joseph Lanyo takes his listeners through a thematic voyage of overcoming hopelessness while ultimately finding peace through a source greater than himself.

Lanyo notes confidence in creating vibes, knowing his music will be good simply because he enjoyed the creation process. His moving vocals flow over a rhythmic beat coupled with lyrical depth in “Be the Key”, proving once again he is not an artist bound by a specific genre. Lanyo believes in the conviction to “do it well” and pursues vulnerability in musical expression.
