Segmental Analysis:

1. The Avocado Oil Market based on product can be further segmented into Virgin Oil, Extra Virgin Oil, Refined Oil, Blend and Others. Cancer of disease segment is the major segment generating revenue in 2020. Extra virgin avocado oil is getting prominence in growing countries including the United States, Canada, and Germany. This is owing to a growth in the popularity of avocado oil as a result of the rise in illnesses such as diabetes, high blood pressure, and myocardial infarction.

2. North America dominated the Avocado Oil Market with a major share of 45.2% in the year 2020. This is mainly due to the increase in health challenges such as heart disease and chronic illnesses, which are caused by a high consumption of high-fat oils, which drives the demand for avocado oil.

3. The Avocado Oil Market based on drug type can be further segmented into Hypermarkets/Supermarkets, Specialty Stores, Convenience Stores, Online Retail and Others. The supermarkets/hypermarkets segment registers for the highest avocado oil market share in 2020. This is mainly owing to facts as these stores are incorporated with numerous alternatives and the availability of varieties of avocado oil from various brands.
