

Celebrity Dog Trainer Ryan Matthews to Recruit 10 Individuals for His 'Train The Trainer' Program

One of the nation's top celebrity dog trainers has a life-changing opportunity for 10 lucky individuals.

HUNTINGTON BEACH, CALIFORNIA, UNITED STATES, September 23, 2022 /EINPresswire.com/ -- According to industry [data](#), nearly 50 percent of US household own a dog. Now Celebrity Dog Trainer and Combat Veteran Ryan Matthews is recruiting 10 individuals in California to sign up for his 'Train The Trainer' Program.

"You will be able to train dogs and serve your local community by earning around \$10,000 a month within your first three months (based on running social media ads to acquire leads)," said Matthews, founder, CEO, and spokesperson for [World Of Dog Training](#).

Matthews has successfully trained over 3,000 pet dogs, has written two dog training books, and has given two TEDx talks about dogs ("Overcoming PTSD Using Dog Training Techniques" and "Let's Treat Each Other More Like Dogs").

The 'Train The Trainer' Program is a four-week training program that includes a certification as a World of Dog Training Dog Trainer, marketing, sales and dog training education, and hands-on experience working with 20 dogs.

Individuals will receive a workbook, support videos, monthly group Zoom meetings, a free web page, sales support/training, marketing strategy, and a proven system that has worked 1000's of times.

"You'll have freedom of choice creating your own schedule, work with people you are stoked to work with, and be outside rather than stuck inside an office," Matthews said.

The thing that makes the 'Train The Trainer' Program different from everything else on the

market, is that most dog training schools, according to Matthews, train individuals but forget that business matters too.

“We have a system that will help you be a success within months of graduating,” said Matthews. “We provide hands-on training with top-notch instruction. You get hands on with at least 20 dogs (puppies, hyper, fearful, and aggressive dogs).

Matthews, who graduated from Lackland Air Force Base in San Antonio, TX, in 2002, becoming a certified Military Working Dog Handler, revealed that as part of the program, individuals will receive 50 to 100 leads per month for those that pay for advertising with its exclusive agreement with marketing company.

Individuals will also receive:

- A proven onboarding and sales journey/system, giving individuals a 90 percent in person sales conversion.
- A free press release of your grand opening.
- A free website with SEO (Search Engine Optimization).
- A free app which allows individuals to record calls, review sales calls, text and email clients from their phone or desktop.
- Sales training of role playing, sales scripts, review sales calls, monthly group sales support meetings.
- Access to their very own 200-page workbook (online and printed copies), over 200 training videos to review prior to teaching a lesson (if you need refreshers).

Matthews, also a former combat K-9 handler - an alumnus of the Wounded Warrior Project and a volunteer for the Youth Motivational Speaker Taskforce and The Mission Continues, explained that anyone interested in his services can [schedule a call today](#).
