

# Filipino Basketball Tournament in Madrid Continues to Heat Up

*The 2022 Pinoy Basketball Tournament saw more Filipino teams trying to clinch the championship title in games 2 to 9.*

MADRID, SPAIN, September 23, 2022 /EINPresswire.com/ -- The 2022 Pinoy Basketball Tournament shows no sign of letting up as more teams have faced on the court since September 5.

A Win and a Default on Games 2 and 3

After a [successful opening ceremony](#) and the first game won by the Undefeated on September 4, September 5 didn't waste any time. The action was immediately on as soon as the whistle blew.

Filipino players are intense in trying to score for their respective teams.

First up were Iluxion and Batangas Blades. Like in the first game, every set was a tough call. The score was close throughout the whole game with Iluxion leading by a slight margin. The fans were on the edge of their seats, waiting for every move.

In the end, however, the eager Iluxion bagged the win, with Melvin Bitamor becoming the Player of the Game.

Meanwhile, the second game led to a surprising result when Villaverde eventually won by default.

Champions Inched Closer to the Title

The succeeding games featured winners trying to retain their undefeated status, new teams

hoping to take their place, and losing ones wanting a second chance.

On September 12, Team Villaverde faced off with Cobra Kai. The game was a tough one, with neither team backing down. In the end, Cobra Kai proved to have a stronger bite, coming out on top with a victory after scoring 79 points.

After the close match, Teams Belleza and Pintor Rosales battled it out for a chance at the top spot. The game was intense, with both teams trying to take an early lead, until Belleza squeaked by with 71 points.

Day 4 of the 2022 Pinoy Basketball Tournament was held on September 19, and on top of the agenda were games 6 and 7.

Game 6 was between Teams Undeclared, who won the first-ever match, and Pintor Rosales, who was looking for a second victory. The Undeclared eventually bowed out to Pintor Rosales after the latter scored 61 points.

Hoops Brothers and Team Batangas Blades competed during game 7. It was another nail-biter, with both teams going head-to-head the whole time. It went down to the wire, but Team Batangas Blades failed to hack out a win at 87-70.

Day 5 of the tournament was on September 20, with four teams vying for the top spot. Team Villaverde redeemed itself when it managed to get 84 points against Hoops Brothers. Team Cobra Kai, on the other hand, continued its winning streak by garnering 77 points against Batangas Blades.

Unity and Camaraderie All Throughout
