FINDING HARD-TO-FIND CORPORATE HOUSING IN THE EAST BAY

The East Bay region of the San Francisco Bay Area, while not as famous as San Francisco nor as large in population as San Jose, combines proximity to San Francisco and Oakland with high quality of life. The climate is warmer than San Francisco, the lifestyle more suburban, and the transportation system is more freeway dependent yet with strong ties to BART, the Bay Area Rapid Transit or light rail system. Persons who want to explore availability can visit <https://www.keyhousing.com/corporate-housing-area/concord-walnut-creek/>. Even better, persons who are coming to the East Bay for a short term or corporate rental are encouraged to reach out to a Key Housing expert for a consultation. The staff knows the rental market better than nearly anyone and can thus source hard-to-find corporate housing not only in Lafayette, Concord, Orinda, or other stellar East Bay communities.
