Segmental Analysis:

1. The Healthcare BPO Market based on provider service can be further segmented into Patient Enrollment and Strategic Planning, Patient Care Service, Revenue Cycle Management. The Revenue Cycle Management Segment held the largest market share in 2020. This growth is owing to the boost in government initiatives, to increase the acceptance of RCM (revenue cycle management) solutions, raising revenue loss owing to billing errors, and heighten the acceptance of electronic health records.

2. The Healthcare BPO Market based on geography can be further segmented into North America, Europe, Asia-Pacific, South America, and the Rest of the World. North America (Healthcare BPO Market) held the largest share with 37% of the overall market in 2020. The growth of this region is owing to the enhanced patient care, great percentage of claim records, and the soaring concentration of key players like Genpact in the region.

3. The Healthcare BPO Market based on payer service can be further segmented into Human Resource Management, Claims Management, Customer Relationship Management (CRM), Operational / Administrative Management, Care Management, Provider Management, Others. The Claims Management Segment held the largest market share in 2020. This growth is owing to the boost in the count of patients accepting e-health (electronic health) services like electronic health records.

Competitive Landscape:

The top 5 players in the Healthcare BPO industry are -

1. Accenture

2. Genpact
3. IQVIA
4. IBM
5. Parexel
