

# KDG Named a 2022 Best Place to Work in PA by Central Penn Business Journal

ALLENTOWN, PA, UNITED STATES,  
September 27, 2022 /  
EINPresswire.com/ -- [Central Penn Business Journal](#) has named KDG as one of the Best Places to Work in PA. The awards are held in partnership with Best Companies Group.

Best Places to Work in PA identifies, recognizes and honors the best places of employment in Pennsylvania in three categories: small companies (15-99 employees), medium companies (100-249) and large companies (250 or more). To be considered, companies must have at least 15 employees working in Pennsylvania; be a for-profit or not-for-profit business or government entity; be a publicly or privately held business; have a facility in the state of Pennsylvania; and be in business a minimum of one year.

One of our company's core values is to honor and respect everyone we work with...This starts with honoring and respecting our employees."

Best Companies Group managed the overall registration and survey process and also analyzed the data and used their expertise to determine the final rankings.

There were two parts used to determine the rankings. The first consisted of evaluating each nominated company's workplace policies, practices and demographics, worth

approximately 25% of the total evaluation. The second part consisted of an employee survey to measure the employee experience, which consisted of 75% of the total. The combined scores determined the top companies and the final ranking.

"This year's Best Places to Work in PA winners demonstrate that a positive environment for staff creates a place where people are proud to work and produces a culture that is contagious. These companies are making a positive impact on the Commonwealth of Pennsylvania by attracting talent and creating successful organizations," said Suzanne Fischer-Huettner, senior group publisher of Central Penn Business Journal. "We are pleased to join with the Best Companies Group to recognize these businesses."

“One of our company’s core values is to honor and respect everyone we work with,” says Kyle David, President & CEO of KDG. “This starts with honoring and respecting our employees, their health, their happiness, and their personal and professional growth.”

Highlights of KDG’s workplace include 100% employer-paid health benefits, retirement planning, schedule flexibility, a permanently hybrid workplace, monthly social events, and an annual KDG Day celebration where employees from across the country gather to celebrate the company and its achievements.

The winners will be honored Dec. 8 at a celebration starting at 4:30 p.m. at the Lancaster Marriott at Penn Square Hotel, 25 South Queen Street in Lancaster. The evening features food stations and networking starting at 4:30 p.m. with the awards celebration at 5:30 p.m. followed by dessert and continued networking.
