"I really don't like having a big ego, but I am one of those people who says if you're going to do something you have to see it through no matter what happens and no matter how many times you fail", said Robinson.

Robinsons latest documentary about his personal journey to Hollywood 'Surviving Sunset' also includes interviews with many Australian and American actors.

Whilst it delves into the difficulties of succeeding in Hollywood it lifts the curtain on the myths of 'La La Land'. "Hollywood is not all about red carpets and glamorous events but rather a battle of survival", said Robinson.
