

Western Gunfight Challenge v1.1

DALLAS, TX, USA, September 28, 2022 /EINPresswire.com/ -- [Magnin & Associates](#) announced a major update today to their popular [Western Gunfight Challenge](#) game. A free upgrade is available to previous purchasers from the app store where they originally purchased the game. Western Gunfight Challenge v1.1 is available on iPhone, Android, Kindle Fire, Apple TV, Mac, Windows PC and Xbox.

Western Gunfight Challenge offers the excitement of western style gunfighting and target practice. The game features seven challenging levels with stationary and moving targets, single and double skeet shooting, and more.

The game was produced by Ed Magnin, programmed by Willie Johnson, Jr, with graphics and level design by Travis Mueller. Matt Campana created the music and excellent audio effects.
