- 3.5.3. Opportunities...
- 3.6. COVID-19 Impact Analysis on the market

By region, the healthcare industry is analyzed across North America, Europe, Asia-Pacific and LAMEA. North America accounted for the largest share of the global healthcare market in 2021 and is expected to remain stable during the forecast period. This is attributed to the presence of large health care facilities in countries such as the United States. Also, the increase in the behavior of healthcare companies leading to their R&D activities is driving the demand for healthcare companies in the region during the forecast period.
