

# DTR Group Offers the Right Solution for Credit Restoration and Funding

---

*The company provides solutions for repairing bad credit and building good credit for individuals and businesses.*

UNITED STATES, October 6, 2022 /EINPresswire.com/ -- DTR Group, a team of credit restoration and funding experts, today emphasizes its plan to help people create massive buying power and cash flow through credit restoration and funding. This is a part of its effort to help individuals build their credit and to help businesses grow.

Anyone, even those with the best financial intentions can end up with a poor credit rating. But DTR Group believes a bad credit report isn't the end of the world nor should credit restoration be an uphill battle. With a proven track record, DTR Group uses tried-and-true methods to help repair credit, establish strong, maintainable credit profiles, and ensure that their steadily growing clientele succeed and experience better financial conditions.

"Our credit restoration services can help businesses improve their credit, which will appeal to investors and increase their chances of receiving funding. Through our finance partners, we can also offer assistance with company capital upon request," said Giselle Maxwell, a spokesperson for DTR Group.

DTR Group acknowledges that each person's credit history is unique, and does not use a one-size-fits-all strategy. They offer a personalized credit repair plan designed to suit individual clients' needs. Over 5,000 individuals have had their credit restored thanks to DTR Group. They have also helped SMEs to get access to over \$35 million in funding.

"Our product is tailored to each individual or company. This is important as it helps our customers understand what is happening with their credit and how we will specifically help and benefit them," she adds.

Unlike its competitors, DTR Group is the only digital agency offering funding to its clients to help them pay for the tools they need to grow their businesses. They offer free evaluations to help interested people decide the best path to take and the resources necessary to follow that path. The company's strategic consultation assists the individual in deploying their journey without making irrevocable mistakes.
