Segmental Analysis :

1. Upsurge in adoption of cloud computing is one of the predominant factors driving the growth of the market globally especially for endpoint protection platform and advanced threat protection. These factors are driving the growth of the market.

2. By Organization Size the market is segmented into Small & Medium Enterprises and Large Enterprises. Large organizations are dominating the market at 60.5% share in 2020 owing the risk of high cyber security vulnerabilities, cyber security threats, cyber security exploits.

3. Global Endpoint Detection and Response Market is dominated by APAC region with a market share 36.7% in 2020. The surge in cloud based networking, mobile devices and presence of major key players in which there is requirement of Endpoint detection and response tools are driving the growth of the market.

Competitive Landscape :

The top 5 players in the Endpoint Detection and Response Industry are -

1. FireEye Inc.

2. Carbon Black Inc.

3. Cysco System Inc.

4. CrowdStrike Inc.

5. Broadcom Inc.
