AUSTIN, TX, UNITED STATES,  
September 28, 2022 /

EINPresswire.com/ -- The U.S. roofing market size is estimated to average more than \$52 billion for 2022. The market continues to be driven by new construction activities, retrofitting projects, and renovations. Across leading American cities, property owners are seeking more choices, demanding products that deliver better aesthetics, durability, and eco-friendly performance. The city of Austin is one such marketplace, well served by some local roofing companies that provide conventional and modern roofing materials & technologies.

Many of Austin's roofing businesses are listed on business directories that feature the top service providers in the area, such as Austin Pro Siding. Considering that roofs are prone to recurring repairs, it is good to have a local roofer that can share some insight about the scope of work too. LOA Roofing and Construction is one such Austin business that provides quick site visits and a proper
