The concert is presented by FENIX360 and its subsidiary WOW TV and will be hosted by influencer and philanthropist, John "SohoJohnny" Pasquale.

"This is a major humanitarian project to raise funds to aid the children of the world wherever they may be. There are always little angels everywhere. They are in quiet corners, they are in the shadows, and they are beautiful. Make room for the Angels, they will catch you unaware and fill your hearts in ways you can never imagine. They are our future....." observed John "SohoJohnny" Pasquale.

"We are dedicated to supporting all types of artists and dramatically improving the range of

revenue sources at their disposal and the associated percentages. When we can combine this with helping other very worthy causes like Children of the World, it is clearly a double bonus and we are thrilled to be presenting this amazing 6 hour livestream” said Allan Klepfisz, CEO of FENIX360.

The 6 hour livestream will involve appearances and performances from at least 79 acts, comprising superstars and young rising influencing acts, from at least 18 countries including most recently FENIX360 Artist Ambassadors & other artists from China, Singapore, & Indonesia.
