

Highlights from the Construction Links Network platform this week - September 29, 2022

The only peer-to-peer content sharing platform for the construction, building and design community

SUNDRE, ALBERTA, CANADA,
September 29, 2022 /
EINPresswire.com/ -- Construction Links Network is a unique news platform where members "Get More Eyes" on their digital content and increasing their SEO.

The network includes thousands of Canadian construction managers, contractors, developers, building managers, property managers, architects, designers, engineers, government officials and more.

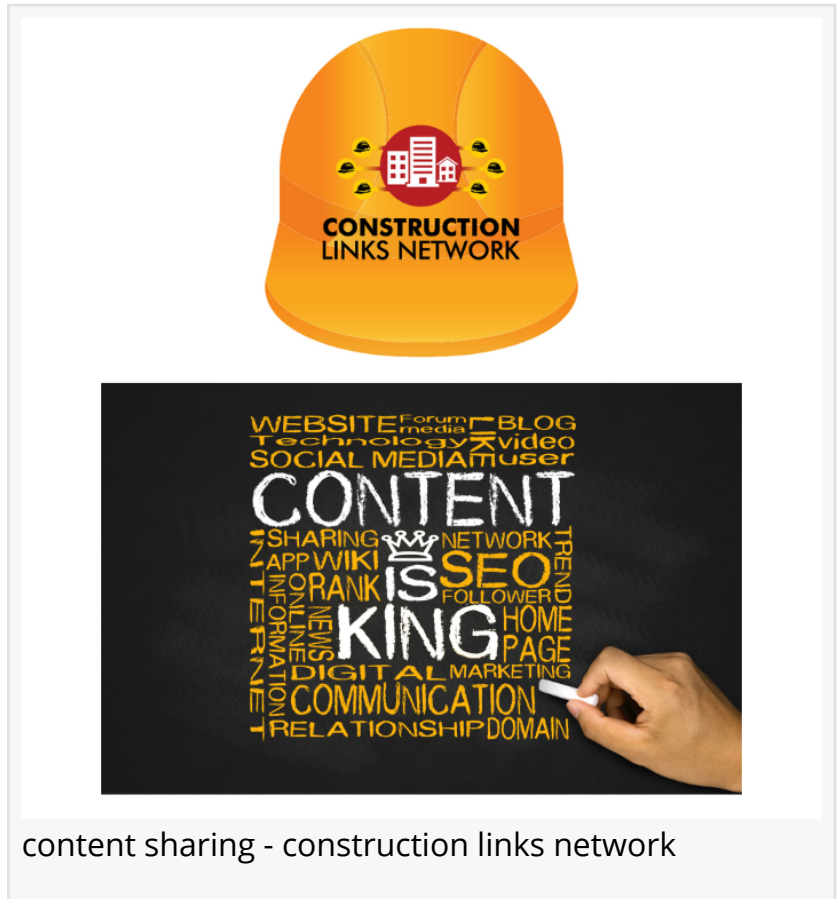

[Members use this platform to share and onboard their digital content](#) on

the Internet, through social media and

our popular e-Newsletters. Ideal for product / service releases, company announcements, blogs, podcasts, webinars, case studies, videos and more.

Top videos this week include Sandra Mason, Director of Public Relations at Association of Equipment Manufacturers gives us an overview of what is in a press kit and why every CONEXPO-CON/AGG exhibitor should have one leading up to North America's largest construction show. Construction Links Network is a proud media sponsor for 2023 CONEXPO-CON/AGG and invites all exhibitors to join this network and start promoting your brand leading up to the show. The second top video is courtesy of Gordie Howe International Bridge. Bradley Babcock, Canadian Safety Lead discusses construction and safety on the project.
