September 29, 2022 /

EINPresswire.com/ -- Texas Regional Radio hitmaker Case Hardin scores his third-in-a-row #1 spot with Honky Tonk Highway, hitting #1 only 15 weeks after release. This marks the third time Hardin has reached this achievement so far, alongside Alcohol Abuse, his first multi-week #1, and When You Roll That Way. Honky Tonk Highway is Hardin’s sixth song to break the Texas Regional Radio Top 5.

Hardin celebrates this win while adventuring across the “Lone Star State” supporting this hit and others featured on his recent album, Lucky Him, produced by Hardin, Ronnie Huckaby (George Strait) and Kenny Grohman (George Strait).

“Getting three consecutive #1’s is unreal,” said Case Hardin. “I’m truly appreciative to Texas Country/Red Dirt radio, to all of the fans that called in and came out to support us at live shows, and to Bernie Nelson and Suggs Switch for helping to make this all possible.”

Raving Reviews for Honky Tonk Highway

“Case Hardin is probably one of the hardest working artists in the Texas music scene. His ability to both like a song because it speaks to him, and also know how it will resonate with his fans is a great sign of things to come,” said Bernie Nelson, hit tunesmith who co-penned Honky Tonk Highway
