Hui Wu-Curtis, Founder/COO

SupportU's COO & Founder, Hui Wu-Curtis, was recognized in the following categories:

1. Women Owned StartUp of the Year | Business Services

2. Women-Owned or -Led Micro Business of the Year (1 – 10 Employees)

This annual awards program celebrates the individuals and teams who set industry benchmarks for excellence. All organizations private or public, corporations, nonprofits, associations, vendors,

and government organizations worldwide are eligible to enter.

“We are so very proud that Hui has been named a winner by Women World Awards for this esteemed industry and peer recognition,” said Ron Petrie, CEO. “Hui founded and launched this company to create a service delivery company that is a disruptor and corrects the exploitive nature of the labor arbitrage-based BPO industry. Her policies create a culture that empowers employees and accommodates the impact of culture and family. This further validates our position as a company poised to successfully overcome the gender stereotypes and glass ceilings women and diverse populations encounter in business today.”

“It is an incredible honor to be amongst such an impressive list of women achievers making their mark in the world. I’m excited for SupportU to continue to make waves for our clients and employees – that’s bold, disruptive, innovative, and thought-provoking, says Wu-Curtis. “The great thing is that we work with clients of all sizes from across many industries. We don’t have a minimum threshold for headcount. We focus on offering a more consultative type of relationship where we collaborate with our clients to find true business drivers that will catapult the customer experience and drive growth and revenue.”

Judges from around the world representing a wide spectrum of industry experts participated in the judging process.
