

# Podcast Looking to Raise Support for Atlantic Canada and Break 2 World Records

*We are calling on business matter experts, celebrities, and community champions to get involved*

TORONTO, ONTARIO, CANADA,  
September 29, 2022 /

EINPresswire.com/ -- Edward Henry of Edward Henry Company of Whitby Ontario is passionate about selling but is even more passionate about this upcoming project to help communities from Atlantic Canada that have been devastated by the damage left from Hurricane Fiona.

Join us for this marathon record event and raise support for communities that have been severely affected by the aftermath of hurricane Fiona.

Edward who is from Sydney Nova Scotia helplessly watched the horrific event sweep through his home of Cape Breton and the surrounding Atlantic communities.

“

We have never tried anything like this before, but that wasn't going to stop us doing whatever it takes to help the communities from Atlantic Canada. These amazing people are my friends and family.”

*Edward Henry*

This is the motivation behind doing something extreme for the 1st episode of the new sales and motivational podcast called Extreme [EHConomics](#). EHConomics representing the new program that Edward Henry says works better than selling. We plan to break a world record for the longest continuous live video podcast of 36 hours and finish strong by completing the longest continuous audio podcast.

We need so many people to achieve this objective. We are currently looking for business matter experts in sales, marketing, motivation, and others to make this event a success. We anticipate the need for 40 to 50 guests for the 1st Episode: We're going for the record.

We set a fundraising objective of \$250,000 which we have every intention of raising far more for an urgent needed cause. These communities require so much to get back on their feet. They

need all of us to give a little bit of ourselves.

Edward Henry Company is also issuing a business challenge. The company that donates the most money to this cause, Edward Henry Company will match their donation in services from EHCOconomics. No matter what the size of donation, it will be matched. Whatever it takes to attract support.

You can help in a few different ways. We have posted a few links including our [GOFundMe](#) link. We have partnered with two non-profit groups to help and administer the funds properly. Guests can submit their information to the Extremet EHCOconomics Guest Information link posted here; <https://www.fastfieldwebforms.com/us/webforms/3a3cef1a-d982-4334-a0ef-87e6e5c9184b>
