“365 Daily Inspirations (Ideas for Higher Living)” is an effort that was born out of experience for Author Kristin Pedderson. Thirty years ago, Kristin had a spiritual awakening that changed her entire trajectory. When the shift happened, Kristin witnessed a plethora of miracles, signs, wonders, and dreams.

Since that time, Kristin has been producing expressive

music with a message to the tune of over 20 albums in 20 years. She is a multi-instrumentalist who performs and records most of her own instruments. She writes all the lyrics and creates her own video productions to supply her [YouTube](#) channel.

Kristin adds, "I had a dream, where I recognized a need for healing from years of trauma. At that time, I began writing songs and fell in love with the practice of expressing thoughts and feelings through words. I had no idea how it would play out, but now I understand that I was given a great gift. Today, my purpose in sharing on social media, is to inspire and encourage individuals, who welcome rich direction for higher living."

"365 Daily Inspirations (Ideas for Higher Living)" has a tentative release date slated for next year.
