ISTANBUL, ISTANBUL, TURKEY,
September 30, 2022 /

EINPresswire.com/ -- 30th September 2022 UniFarm is all set to launch Thunder Farms which will go live on the Ethereum network as a Liquidity Farming Cohort featuring 3 leading blockchain projects including UniFarm(\$UFARM), ChangeX (\$CHANGE), Zignally(\$ZIG)

The duration of staking in Thunder Farms is for 60 days. The user can stake any of the above-mentioned tokens and earn a minimum guaranteed APY of 80% through UniFarm's platform <https://app.unifarm.co>. The stakers can maximize their rewards by up to 400% by purchasing a Booster Pack. This is an unlocked pool and users can unstake and claim their confirmed rewards anytime.

Thunder Farms projects offering -

UniFarm(\$UFARM) is a Web 3 enabler that acts as a one-stop solution for every problem that a DeFi startup will face right from the very onset with launching their IDO (to raise money) to providing utility to their token via staking solution to help them scale.

ChangeX (\$CHANGE) is a hybrid ecosystem for all your Crypto, Defi, and Banking needs. Combining compliant CeFi with true Defi elements, ChangeX streamlines the crypto experience for everyone. Brought to you by industry veterans.

The graphic is a purple rectangular banner with a yellow lightning bolt icon in the top left corner. The text 'Thunder Farm 1 - LF 4' is in white, with 'It's beyond farming' in orange below it.
