PHOBIA - open weekends in October

Phylo Darke, operations manager of Phobia, says, “New for 2022 is our Kemah Boardwalk location. Two great haunts packed with actors and custom animatronics. Our Beltway 8 location has been remodeled and upgraded, making it a 30-acre scare zone. Better than ever! Our eight attractions are freestanding and totally separate. A customer can see one haunted house or multiple attractions. Some patrons visit several times in a season. It’s a great adrenaline rush and good healthy fun.
