'Cooking By Heart' launches 10/4 with Michael Patrick King ('Sex and the City'); Adriana Trigiani ('The Shoemaker's Wife') & Tom Holland ('Fright Night')

FAIRFIELD, CT, US, October 3, 2022

/EINPresswire.com/ -- Chris Sarandon, who was nominated for an Academy Award for his performance in 'Dog Day Afternoon' and created memorable characters in 'The Princess Bride,' 'Fright Night,' Tim Burton's 'The Nightmare Before Christmas,' 'Child's Play' and many other movies and television shows are launching a podcast featuring celebrity guests and friends talking about cooking and memories of favorite foods they enjoyed while growing up.

Discussing the launch of his new 'Cooking By Heart' podcast on October 4th, Chris Sarandon said,

"I grew up working in my immigrant father's All-American restaurant and as a helper at home with my mother's Greek cooking. That personal history provides the theme for many of the main, vivid stories of my early life so I'm interested in the stories behind the food we all grew up with, the characters and situations that have played such important roles in our lives; the memories that are evoked when we eat something now that take us back: the smells, the tastes and the people who were there. I hope our listeners will enjoy these stories, the guests, and their memories- and all the great recipes".

Chris has created this podcast out of his passion for family, friends, and food. In addition to the conversation, each celebrity guest will share one of their favorite recipes. Guests of Chris who will be on the first three podcasts on Launch Day, October 4th: Michael Patrick King- Emmy-Winning TV
