

ILLA GHEE Releases "Denim Malt Liquor" EP

Rap artist releases his latest project promising to deliver twice the amount of lyricism than any other project out now.

BROOKLYN, NEW YORK, USA, October 13, 2022 /EINPresswire.com/ -- IMOR Entertainment presents "[Denim Malt Liquor](#)"; NEW MUSIC RELEASE by Brooklyn native ILLA GHEE; available October 14, 2022, on all digital platforms.

The creation of "Denim Malt Liquor" is the result of a cathartic experience for the word grappler as he has delved deeper into writing about more poignant topics. The complexity of his lyrics can be described as if he was throwing a barrage of knives at you. You are either going to catch them and understand, or you are going to get

stuck. The casual listener may not be able to keep up with the play on words, implied meanings directly or indirectly, metaphors, and punchlines. Fortunately, ILLA consciously chose to make this project more effortless and, in the process, making it more accessible and relatable to a wider audience. "Denim Malt Liquor" is the product of stripping everything down to the basics, like a good pair of denim.

Let's get to the naked soul of the music”

And why not "Denim Malt Liquor"? Longtime fans have already come to expect the outrageous and are always eagerly anticipating what he is going to come up with next. With titles like: "Jesus & Better Drugs", "Vocabulary

Hercules", and "Fried Apple Juice"; this title fits right in! The EP features production by Marcin Ruszel, Jewels Polaar, J Depina, Vinny Idol, and Crummie Beats. With no supporting features, it puts the veteran Emcee in the forefront to do what he does best and in his words; "Kind when I'm killing careers".
