LOS ANGELES, CALIFORNIA, USA, October 3, 2022 /EINPresswire.com/ -- MoveEast Los Angeles is a subsidiary of the CA NY Express Movers now offering cross-country moving services from LA to New York. This moving company is leveraging on its long tenure to attract more clients moving to New York from LA.

“Moving cross country is fraught with lots of challenges thanks to the huge distances to be covered,” said the MoveEast LA moving coordinator. “

Having been in the long distance/cross country moving sector for decades now, we have seen it all. Our experience has helped us learn what challenges to expect and how to circumvent them for our moving client’s smooth transition. That is why we introduce LA to New York cross-country moves. You can now move with us from anywhere in LA to New York, Connecticut, Pennsylvania, and New Jersey. To make your cross-country move even more seamless, we have storage facilities and a money-back guarantee for any delayed shipments.”

Packing a home

When one is looking for [cross country movers Los Angeles](#), experience is likely the top factor to consider in a moving company. Experience goes hand in hand with professionalism. No one wants rookies handling a long

haul move from LA to New York.

Many [movers Los Angeles to New York](#) charge a premium fee because of the challenges that are bound to be expected in such a cross-country move. From damaged items to delays in delivery of shipments, all these factors come into play. That is why many of these long-distance moving companies require licensing and insurance, which is a cost that the customers will appreciate in the long run.

[Moving from Los Angeles to NYC](#) can be an expensive affair, but with the right preparation, one can move with lots of ease. According to the head of moving staff at MoveEast LA, the company offers a money-back guarantee for any delays in shipment, giving customers a much-appreciated reprieve. The company spokesperson also added that this money-back guarantee is calculated per day of any missed delivery dates.

Without a doubt, when planning for a costly long-distance move, it is wise to consider using the services of professional and registered companies.
