ABOUT

Wayne Kennedy, also known as TheRapperAK, is a 30-year-old artist, dad to an autistic baby, and a carpenter by trade. TheRapperAK grew up moving from one city to another with his mother, going through several formative experiences with different people, which his parents never found out about.

Through the times he spent exploring, TheRapperAK learned a lot about life and music and the struggles of being an inhabitant in low-income housing. The artist remained inspired by musical greats such as 2Pac and Bone Thugs, as he truly understood and related to the struggles they lived. Growing older, TheRapperAK failed to find authentic and relatable music, so he began making his music.

Inspired by his own life and journey, the talented artist composes tracks that focus on who he is and what he is going through, delivering a uniquely personal perspective. TheRapperAK hopes to provide listeners with meaningful tracks, honoring the value Hip Hop music had for him.
