The third annual Financial Services Awards were presented by Financial Advisor IQ to recognize fund companies, defined contribution retirement plan recordkeepers and other business partners that financial advisors deem valuable to their daily practices. Financial Advisor IQ conducted a survey of 742 advisors who voted to determine the award recipients. The awards serve as an important reminder of the strong bond between financial advisors and the service partners on whom they rely. Financial Advisor IQ is an advisor resource from the Financial Times. It informs, educates, and connects advisors with daily news focusing on practice management

and a network of industry content from leading fund firms. More information about the awards can be [found here](#). Neither the award winners nor the companies considered for the awards pay a fee to the Financial Times in exchange for inclusion in the Financial Advisor IQ Service Awards.
