

# New Coding and STEM Academy Opening in Franklin, TN

*Skill Samurai, a one-of-a-kind coding and STEM academy is coming to Franklin, TN in October 2022.*

FRANKLIN, TN, UNITED STATES, October 3, 2022 /EINPresswire.com/ -- The mission of Skill Samurai is to help kids channel their obsession with technology into something that helps them expand their knowledge instead of simply distracting them or entertaining them. Children deserve a fun place that helps them explore and understand technology.

Our after-school coding classes prepare students for high-paying high-demand careers.

Skill Samurai classes are for students between the ages of 7 and 18.

“

Skill Samurai goes beyond the standard offerings of other available STEM programs to provide a clear, defined goal of preparing students for careers of the future.”

*Jeff Hughes*

Skill Samurai offers exclusive programs using real coding languages in fun project-based classes.

[Skill Samurai Franklin](#) will be offering a full range of after-school coding classes, [summer camps](#), and in-school programs.

Skill Samurai is a one-of-a-kind Coding and STEM academy.

Skill Samurai Franklin TN is owned by Jennifer Knight and Shane Ramos. Jennifer brings a background in teaching and school administration.

85% of the jobs that will exist in 2030 haven't been created yet. Our schools aren't teaching the skills they'll need. At Skill Samurai, our STEM curriculum and face-to-face coding classes equip kids with life skills to help them thrive both now and in the future.

Skill Samurai Franklin is now open. They are offering Free Trial classes for families who want to experience our programs firsthand. Parents are invited to sign up for a [free class](https://skillsamurai.com/tn-franklin/free-trial-class) by visiting <https://skillsamurai.com/tn-franklin/free-trial-class>

With units in North America, South America, Asia, and Australia, Skill Samurai has proven that there is skyrocketing demand for STEM, Coding, Robotics, and Artificial Intelligence classes around the world. Skill Samurai prepares students for the jobs that will be in demand in the future by focusing on real programming languages and industry-recognized career certification.

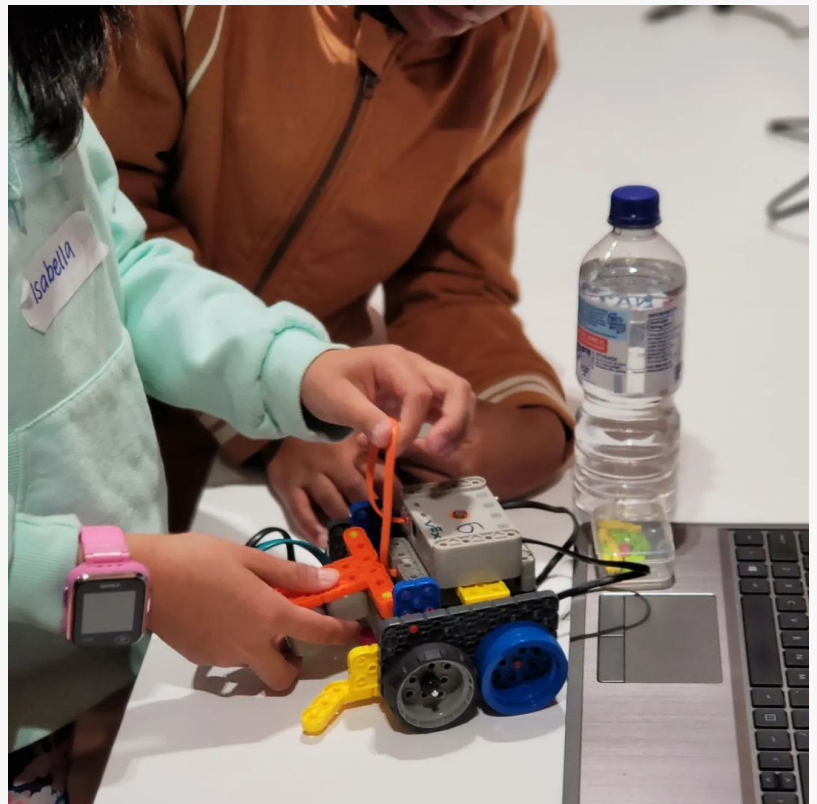

Founded in May 2015 by Jeff Hughes, Skill Samurai is an innovative and non-traditional approach to children's programs. The company started with just one location in New Brunswick and has since expanded globally with locations across Canada, The United States, Asia, Australia, and Latin America. Skill Samurai plans to open 30 locations per year, moving forward in the coming years.

Skill Samurai engages students in supplemental Science, Technology, Engineering, and Math (STEM) education, giving them a real academic advantage and the skills and motivation, they need to succeed in life. Offering
