

Avila University Announces InUni as International Markets Strategic Adviser

Avila University partners with InUni to open the doors for hundreds of new international students and extend its mission of access to higher education

KANSAS CITY, MISSOURI, UNITED STATES, October 3, 2022 /EINPresswire.com/ -- Kansas City,

Avila has a rich history of serving a diverse student body that includes international students. We are excited to work with InUni and enhance the international student learning experience.”

Avila University President Jim Burkee, Ph.D.

Missouri, USA, Hyderabad, India: [Avila University](#) is partnering with global leader, InUni to extend the university’s mission of providing access to higher education to underrepresented student populations. InUni is part of Global University Systems (GUS). Their focus on strategic partnerships that provide quality outcomes for students perfectly aligns with Avila’s mission.

“We are extremely pleased with this strategic partnership with Avila,” said David Fisher, Chairman of InUni. “Avila’s desire to grow its international presence shows the ambition of the Institution, and we will help them do that. As the demand for international education increases, Avila

can capitalize on the need to provide quality, personalized education with real outcomes that will give students an advantage in the international workplace.”

The partnership between InUni and Avila opens doors for hundreds of new international students looking to study in the United States. “Avila has a rich history of serving a diverse student body, including international students,” said Avila University President Jim Burkee, Ph.D. “We are excited to work with InUni and enhance the international student learning experience. InUni brings an astute understanding of different geographies, audiences, people, and insights, and we are excited to partner with them.”

Avila University provides access to undergraduate and graduate education in liberal arts and professional studies, preparing lifelong learners who make meaningful contributions to the global community. Based in Kansas City, Avila specializes in Psychology, Computer Science, Business Administration, Healthcare, and Nursing degree programs. The university’s personalized approach to education accelerated formats, and flexible schedules resonate with international students aspiring to study in the USA.

InUni, part of Global University Systems (GUS), is a leading international higher education services company with a network of higher-education institutions, delivering various bachelor's and master's degree programs across the USA, UK, and Europe.

Student experience is InUni's priority. With 75,000 people currently studying worldwide, it aims to be inclusive, and culturally diverse and always provide students with a fresh perspective. InUni provides international students access to education by partnering with institutions to offer customized, quality-focused, end-to-end solutions to meet their needs.
