mobility platforms with its revolutionary subscription to purchase technology, is pleased to announce that it has received confirmation from the Financial Industry Regulatory Agency (“FINRA”) that the pending company name change and trading symbol change request to [“DriveltAway Holdings, Inc.”](#) and “DWAY,” has been approved.

“

I am proud to have a role in completing this corporate action as we work to make driving and owning an EV truly affordable for all...let us show you “DWAY”

*John F. Possumato, Founder & CEO, DriveltAway Holdings Inc.*

Accordingly, effective Monday, October 3, 2022, the company’s common stock will trade on the OTC Pink tier of the over-the-counter market operated by OTC Markets Group, Inc. as follows:

- New Name: DriveltAway Holdings, Inc.
- New Symbol: DWAY

This approved corporate action was related to the Company’s previous amendment to its Articles of

Incorporation on April 18, 2022, whereby the Company’s corporate name had been changed to DriveltAway Holdings, Inc. from Creative Learning Corp. The Company believes that this recent change effectuated by FINRA will eliminate confusion in the marketplace for existing and future stockholders.

This corporate action opens a new chapter for the company, as it allows DriveltAway to shed the connection to the prior business and focus on our corporate mission, which is solely targeted at

providing the technology platform and program for manufacturers, car dealers to enable all consumers, regardless of credit score or cash down payment, to drive and buy the vehicle of his/her choice with its subscription to ownership program.

Focused in particular on sustainability, DriveltAway's unique "Drive Now, Decide Later" program enables "EVs for Everyone" as it is designed to alleviate the largest barriers to mainstream EV adoption - the higher cost of EVs, and "range suitability." Anyone on the DriveltAway program can drive his or her vehicle for an unlimited time before making a long-term financial commitment and builds dollars towards the purchase while driving.

"I am proud to have a role in completing this corporate action as we work to make driving and owning an EV truly affordable for all," says, John F. Possumato, Founder & CEO, DriveltAway Holdings, Inc. "If you want to try out an EV or any vehicle for an unlimited time before making a long term financial commitment, regardless of credit score or cash down, let us show you "DWAY."" adds Possumato.
