

Blue Raven Solar has been recognized as a Fastest Growing Company for a sixth year by the Utah Valley BusinessQ UV50

For another year, Blue Raven Solar is one of the fastest growing companies in Utah Valley according to Utah Valley BusinessQ Magazine.

OREM, UT, USA, October 5, 2022 /EINPresswire.com/ -- The 15th annual UV 50 from Utah Valley

“

Solar is one of the fastest-growing industries in the world and Blue Raven Solar is growing right along with it. Being recognized for a sixth year is exciting, especially with our constant expansion.”

Ben Peterson, CEO

BusinessQ has announced that, for a sixth consecutive year, Blue Raven Solar is one of 30 companies with the fastest growth rates in the valley. Very few companies are recognized for more than four years, but Blue Raven Solar’s growth has continued rapidly each year.

“Solar is one of the fastest-growing industries in the world and Blue Raven Solar is growing right along with it,” said Ben Peterson, CEO of Blue Raven Solar. “Being recognized for a sixth year is exciting, especially with our constant expansion across the nation.”

The UV50 list is determined by each applicant’s percentage growth over a three-year period. Applicants must be headquartered in Utah Valley to qualify.

Blue Raven Solar was first featured with Utah Valley Business Q in 2017 on the Startups to Watch list. In 2018, Blue Raven Solar was ranked number one on the UV50, and has continued to rank highly every year since. The company is nationally-known, considered a top residential solar company, and continues to expand into new markets and bring on more employees weekly.
