Olympia Dukakis, Alison Brie and HJ Osment star in Montana Amazon Redux

"Unfortunately, since Olympia passed away in 2021 this will be her last leading role in a feature to be released," said Director, Deborah Brock. "However, it's a transcendent performance, one of the best in a distinguished multi-awarded career which included her Oscar-winning performance as Cher's sardonic mother in

the romantic comedy, MOONSTRUCK, as well as her role as the sympathetic transgender landlady, Anna Madrigal, in the acclaimed miniseries TALES OF THE CITY and its sequels, MORE TALES OF THE CITY (Emmy Nominee) and FURTHER TALES OF THE CITY."

In MONTANA AMAZON REDUX, Olympia plays Ira, an irascible, illiterate grandmother from the mountains of Montana who flees the local law with her socially dysfunctional grandchildren in a darkly comedic-drama road trip across the entire western United States. Alison, who starred in both the COMMUNITY and GLOW TV series,

matches Olympia's skill with her own nuanced performance as the neurotic, boy-crazy granddaughter, Ira. Haley Joel Osment co-stars as Ira's brother, the poignant Womple, who is a single-minded trouble-maker in search of his lost father.
