

Questel LegalTech Solutions Optimizes the Ascent eDiscovery™ Buyer's Journey

Questel leverages Morningside's global presence with the largest legal departments and law firms, and doeLEGAL's expertise with eDiscovery technology services.

WILMINGTON, DE, US, October 4, 2022 /EINPresswire.com/ -- [doeLEGAL](#) and [Morningside](#), both [Questel](#) Companies, reorganize their teams to leverage unique organizational expertise for law firms and corporate clients. Bringing together the resources and staff of a top provider in eDiscovery service and a leading legal language solutions provider for translation & document review creates the most comprehensive eDiscovery offering available. The Questel LegalTech Solutions help prospects get the most value from their eDiscovery projects.

“

Combining our two companies' strengths provides the best foundation for our teams to apply their vast experience & skillsets. The goal is to offer the most benefit through the eDiscovery buyers' path.”

Bruce Kuennen

Reorganizing Ascent eDiscovery™ services under Morningside provides unmatched value and convenience to an expanding global eDiscovery market. Both doeLEGAL and Morningside have established themselves as industry leaders in innovative technology, service expertise, and end-to-end language solutions. The newly reorganized team will leverage Morningside's global presence amongst the world's largest legal departments and law firms, and doeLEGAL will lend its expertise in data hosting, processing, and technology services.

Questel extends its LegalTech success by enhancing its eDiscovery offering to legal teams seeking a more tailored

buyer's experience with one provider that can offer a complete eDiscovery solution. Applying the best resources throughout the purchasing lifecycle allows both Questel companies to increase their value with a more efficient buyer's journey dedicated to meeting global clients' evolving

needs.

Ascent eDiscovery's Combined Capabilities:

- Document Processing & Hosting
- Analytics & Reporting
- Early Case Assessment (ECA) & Active Learning (AL)
- Production Creation & Delivery
- Hosted Document Review
- Training & Support
- Language Translation, Transcription, & Interpretation Services
