

Proxima CRO's Isabella Schmitt Named Finalist in 19th Annual Stevie® Awards for Women in Business

Isabella Schmitt, RAC, recognized as a Female Employee of the Year Stevies Finalist and will receive recognition in November as a Gold, Silver, or Bronze winner

HOUSTON, TEXAS, UNITED STATES, October 4, 2022 /EINPresswire.com/ -- [Isabella Schmitt](#), Director of Regulatory Affairs at [Proxima Clinical Research](#), was named a Finalist in the Female Employee of the Year category in the [19th annual Stevie® Awards for Women in Business](#), and will ultimately become a Gold, Silver, or Bronze Stevie Award winner in the program.

Hailed as the world's premier business awards, The Stevie Awards for Women in Business honors women executives, entrepreneurs, employees, and their companies – worldwide.

Gold, Silver, and Bronze Stevie Award Winners will be ranked in their respective categories. This year, The Stevie Awards for Women in Business received:

- 1,500 entries
- From 27 nations
- In > 100 categories
- 41% of nominations were recognized as Finalists based on their high average scores

Schmitt's role in the development of hundreds of medical products worldwide, as well as her role as Principal of M1 MedTech, an early-stage medical device accelerator, and as Host of Inventing Tomorrow Podcast, among her many other roles across the MedTech industry, including as a start-up expert and pitch coach for both the FDA and investors, has commanded her as one of the finalists in this year's Stevie Awards.

Finalists were determined by the average scores of more than 200 business professionals

Isabella Schmitt, RAC, of Proxima CRO named a finalist in the Stevie Awards for Women in Business

around the world, working on seven juries. Their scores determine the Finalist rankings as Gold, Silver, and Bronze Stevie Award winners, which will be revealed at the 19th annual awards dinner and presentations November 11 in Las Vegas.

Details about the Stevie Awards for Women in Business and the list of Finalists in all categories are available at StevieAwards.com/Women.
