

# Dallas Black College Expo™ Awards Thousands of Dollars to Students

*The 5th Annual Dallas Black College Expo™ is LIVE and provides easy access to higher learning institutions*

DIAMOND BAR, CA, UNITED STATES, October 5, 2022 /EINPresswire.com/ -- The 5th Annual Dallas Black College Expo™ is a Live event hosted by National College Resources Foundation (NCRF) on Saturday, October 15, 2022, from 10 am to 4 pm at Paul Quinn College, 3837 Simpson Stuart Rd., Dallas, TX 75241. This expo is an in-person experience where students gain access to 50+ colleges, highlighting historically black colleges and universities (HBCUs) and other educational institutions.

“We are so excited to be live in Dallas. The pandemic has created a whole new wave of mental health issues, which has affected graduation rates, college persistence and retention. The expo really brings positivity vibes to the community and resources to help underserved students and

communities thrive. We want our students in Dallas and surrounding areas to know they matter and the expo does just that”, says NCRF Founder/CEO, Dr. Theresa Price.

The Dallas Black College Expo™ is an opportunity for students to be accepted on the spot, have their college application fees waived and receive scholarships. This event offers a direct pathway for high school juniors, seniors and community college students looking to transfer to a four-year college.
