OKLAHOMA CITY, OKLAHOMA, UNITED STATES, October 5, 2022

/EINPresswire.com/ -- The [TSS](#)

[Photography](#) President's Club is an

exclusive group established to reward

those [TSS Franchisees](#) who excel in all facets of the TSS system, including sales growth and leadership. Being selected into the club is the highest level of achievement within the TSS Photography organization and the most prestigious annual award.

TSS Photography took advantage of changes in the marketplace to eliminate the need for paper forms and data entry over the last two years. This makes them faster and more profitable. It has also allowed owners to operate growing businesses with less staff and to enjoy their businesses more. In the year following the pandemic, TSS has seen a 92% growth in sales – nearly doubling the business over the previous year. Due to this growth, TSS is pleased to welcome 24 franchisees into the President's Club, making this the largest group ever inducted. We would like to honor:
