*Next Day Access Kansas City, Missouri Opens to Bring Accessibility and Mobility Solutions to Local Communities*

KANSAS CITY, MISSOURI, USA, October 7, 2022 /EINPresswire.com/ -- Next Day Access is pleased to announce the opening of its [Next Day Access Kansas City](#). The [franchise](#) location, provider of residential and commercial accessibility and [mobility products](#), is owned by April Springer, Chris Bakalars, and Carl Loge.

Bakalars, a veteran of the US Army, and Loge, a multi-faceted business owner, bring nine years of experience together in the Next Day Access business. Along with their newest location in Kansas City, they have locations in Minneapolis and Pittsburgh. Springer joined Next Day Access Minneapolis in 2020 as their Operations Manager and has been substantial in the business' growth.

Springer now joins Bakalars and Loge as a partner in Next Day Access Kansas City. The three are excited to expand their business to reach and help more people in need of accessibility products in the Kansas City area.

"Joining Next Day Access was a new industry and career for me. I have always wanted to own a business and provide a service that helps others," said Springer. "Starting in an operational role in the company really helped me understand the infrastructure needed to succeed in this enterprise. My business partners know and have experienced much of it already themselves. I wouldn't be where I am without them or the other owners and partners in this industry I've met along the way."
