LOS ANGELES, CALIFORNIA, UNITED STATES, October 5, 2022
/EINPresswire.com/ -- Los Angeles, California— [ellee ven](#) and The [Groovalution](#) release “[Wrapped in Luxury](#)” on Wednesday, October 5, 2022.

A funky beat and a psychedelic sound, ellee ven’s latest release describes her journey of searching for fun that’s wrapped in luxury! ellee ven’s lyrics express her “letter to reality” about her leanings towards luxurious choices, and making her dreams a reality; the single features Prodéje. His hip hop verses are accompanied by a kaleidoscopic guitar, creating a sound all their own.

ellee ven credits her wanderlust for fueling her passion to express the joys of abundance, and her experiences around the world and along the way.

ellee ven co-produced this track with industry legend Terry Santiel, mixing original vibes with classic musicianship. Drummer Jody Giachello wrote the music and as always ellee ven and Prodéje wrote their own lyrics and melodies. Her super funky band, The Groovalution, did all the rest. Working with top tier talent, ellee ven’s sound is continuously evolving via her collaborative perspective.

“Terry’s ability to merge quality talent, and musical elements IS making magic in the studio. His brilliance is absolutely creating a Groovalution! We are creating something totally original, new
