It's both a pleasure and an honor to partner with these great organizations who serve our veterans and first responders.”

Organizers couldn't specify the amount of the potential award to be distributed to each Beneficiary organization but were able to report that over the first five years they distributed over \$175,000 to community organizations. Rotary Club Foundation President Nathan Winstead commented “it's both a pleasure and an honor to partner with these great organizations who serve our veterans and first responders.”

Chosen from a widespread call for applicants, qualified 501(c)3 organizations went thru an application process followed by live interviews with members of the review Committee. After a lengthy review, the Committee chose three organizations who they felt best represent the three pillars of the Rotary Club of Georgetown TX Field of Honor®: Veterans, First Responders, and Service Above Self.

Veteran organization O.P. Veteran was chosen as a Beneficiary and, among the many activities it conducts each year, was asked to use the funds to specifically bolster their Garrison retreat

program, a weeklong retreat for veterans to share stories, forge friendships, and heal together.

The second Beneficiary, ROCK (Ride On Center for Kids), will soon be launching a Rock On First Responder program to address certain deficits in the officer's current training regimen, and funds have been designated to be used for that essential program.

WilCo Blue Star Mothers is a volunteer service group in Williamson County (TX) that supports other veteran non-profit organizations ranging from volunteerism to fundraising. They also host a Blue Star Mothers luncheon where they bond and share with each other. As the Committee's third chosen Beneficiary, WilCo Blue Star Mothers demonstrate the importance of service and support to veterans and first responders, and also to numerous ancillary organizations to which they provide manpower and support.

The Field of Honor®, now in its sixth year in its display of over 1,600 full size US Flags, is proud to announce for the first time in Central Texas the "Tunnel To Towers" exhibit, a stirring exhibit in remembrance of the events of 9/11. In addition to school field trips and senior center excursions the event is free and open to the public 24x7 from

November 5-12. Opening Ceremonies will be held on November 6, and a Veterans Day Celebration will be on Nov 11. Beneficiary awards are generated from the sale of flags displayed on the field which can be purchased in advance from Community Affiliates or online at <http://GeorgetownTXFieldofHonor.org>. The website also provides an opportunity to volunteer or become an official sponsor.
