DALLAS, TEXAS, UNITED STATES, October 6, 2022 /EINPresswire.com/ -- Dallas, Texas-based Deep Ellum Art Company is a collective space that operates as a bar, art gallery, and live music venue with advanced in-house production, making it an excellent choice for anyone looking for a private event venue in Dallas.

Founded by John and Kari LaRue, Deep Ellum Art Company is a mixed-use community space that serves as a creative hub with a live event venue, bar, a huge courtyard, food trucks, drink selection, live music, and art gallery with local art for purchase. LaRue says,

"I didn't set out to create a space that had a singular identity. [Deep Ellum Art Co. represents](#) as full a spectrum of the arts as our local artists bring to us. The goal is to promote all of the arts be it music, culinary, sculpture, 2D, 3D, digital and more... Creative spaces like this in the neighborhood are crucial to maintaining what makes Deep Ellum so special. It's worth the effort required to pass this along to the next generation."

What was once an auto part and service center for a local dealership in the '50s and then a printing press repair shop, this 5,000 square foot building, built in 1949, is surrounded by around 15,000 square feet of treed outdoor space. "Dedicated to the Creative and Native," Deep Ellum Art Co. is an attempt by the founders to preserve the authentic artistic vibe that makes Deep Ellum what it is.

Additionally, Art Co. offers plenty of room for sculpting art classes, birthdays, weddings, festivals, concerts, corporate events, galas, fundraisers, trade shows, and more. No matter the size or type

of event you are hosting, it is equipped to handle all your needs. The venue has multiple areas and a layout that can comfortably accommodate small as well as large crowds (up to 2000).
