

Open Letter to the Board of Directors of ASRT, SROA, RSNA & ACRO – Parallel Sessions at the ACRO & RSNA Annual Meetings

Open Letter from Dr. Krishnan Suthanthiran to the Board of Directors of ASRT, SROA, RSNA & ACRO regarding parallel sessions at the ACRO & RSNA annual meetings

WASHINGTON, DC, USA, October 10, 2022 /EINPresswire.com/ -- Dr. Suthanthiran has attended and his organizations have exhibited at the RSNA Annual Meetings since 1972. He recalls the Conference Sessions and the Technical Exhibits being held together at the Palmer House Hilton Hotel in Chicago, Illinois, USA, with the total attendance of about 2000, which has now grown to over 80,000.

He has also attended and exhibited at the ACRO Annual Meetings since its founding by the late Dr. Luther Brady. In addition, TeamBest Global (TBG) Companies are a sponsor by offering ten ACRO BEST Awards to ten deserving radiation oncology residents annually.

Dr. Suthanthiran continues to support ASRT and SROA by exhibiting and supporting their annual meetings, as they have parallel sessions at ASTRO Annual Meetings.

ASRT has a membership of perhaps more than 150,000 and Dr. Suthanthiran believes most are specializing in Radiologic Technologies and about 15-20% in Radiation Therapy Technologies. However, it is not apparent that there are parallel sessions at the RSNA similar to ASTRO. This is to request, consideration of TBG's offer of ten ASRT BEST awards to attend the ASRT for the Radiation Therapy Technologist, Annual Meetings at the ASTRO and ten ASRT BEST awards at the RSNA Annual Meetings for the Radiologic Technologists, with each award being 500 USD and a

beautiful plaque to be selected by the ASRT.

Similarly TBG Companies would like to offer five such SROA BEST awards to SROA members attending SROA annual meeting in conjunction with ASTRO annual meetings.

We request that ASRT, RSNA and SROA provide such award recipients free conference registration.

In addition, TBG requests that ACRO establish a joint/parallel session with ASRT and SROA similar to ASTRO. TBG Companies will be happy to assist or offer five ASRT BEST and five SROA BEST awards to ASRT/SROA members attending ACRO annual meetings with the understanding that ACRO will provide free registrations to the award recipients selected by ASRT and SROA.

Look forward to hearing from all of you. Have a fantastic safe and healthy week.
