Lane first introduced her original WingTips™ paintings last year to incredible response; every single painting — more than 60 in all — sold out within mere minutes. Realizing the robust hunger for comfort and inspiration during these turbulent times, she curated print collections to share the loving encouragement of the angels more broadly. Lane partnered with JuneCo to offer a limited first run of the five themed collections. Both "WingTips for Finding Magic and Meaning" and "WingTips for Pursuing Your Dreams" are starter sets, which come with a black, wooden display easel for just \$24.99. Each supplemental set is \$16.99, including: "WingTips for Facing Hard Things," "WingTips for Changing the World" and "WingTips for Healing Your Heart." All five gift sets can be purchased at LivLane.com. WingTips can be given as an individual set, or combined to create a robust collection.

WingTips print collections feature art and advice painted by Liv Lane in collaboration with the angels. Curated sets make thoughtful gifts, themed for Finding Magic and Meaning, Pursuing Your Dreams, Facing Hard Things, Healing Your Heart, and Changing the World.
