The [2022 Pinoy Basketball Tournament](#) in Madrid, Spain, is still ongoing. But the massive turnout of Filipino basketball fans has already made one clear: the love for the sport has no borders.

With that, the organizers are already inviting other Filipinos in Europe to join the tournament next year. The 2023 Pilipino European Basketball League will be on April 21-23, 2023, tentatively, in Madrid, Spain.

They have already sent out invitations to different Filipino communities on the continent. So far, Switzerland, Italy, Norway, Italy, Belgium, Germany, the UK, Sweden, Iceland, Ireland, and the Netherlands, most have already confirmed their participation.

To effectively manage the outpouring of support and interest, the events committee has also set up an online collaboration platform, where they could iron out other details. These include the venue, the mechanics, and the number of participants for each team.
