

Meet with the Leaders in Foam Swab Technology at this year's Printing United Expo on October 19-21, 2022, in Booth N2607

Super Brush LLC will be showcasing its lint-free printer cleaning foam swabs

SPRINGFIELD, MA, US, October 10, 2022 /EINPresswire.com/ -- Super Brush LLC will be showcasing its lint-free printer cleaning foam swabs at the Printing United Expo in Las Vegas, Nevada, at the Las Vegas Convention Center on October 19-21, 2022, in booth #N2607. US-based Super Brush has 65 years of experience manufacturing lint-free foam swabs and applicators.

Super Brush is an industry leader in printer cleaning foam swabs for wide format printer cleaning and maintenance, as well as pre-saturated swabs for thermal label printer cleaning. Whether preventing nozzle clogs, removing excess materials, die cleaning, 3D printer cleaning, or just when cleanliness is critical, customers turn to Super Brush foam swabs.

"With over 5,000 attendees at this year's conference, it is a great opportunity for Super Brush to meet and talk to the printing community about our lint-free printer cleaning foam swabs," says Diane Henry, Director of Sales for Super Brush LLC. "Printing United gives Super Brush, a unique opportunity to meet and interact with current and prospective customers around the world. Cleaning of printers is an important part of daily maintenance, and we look forward to helping you solve this challenge with our foam swabs."
