FAIRVIEW, OREGON, UNITED STATES, October 11, 2022 /EINPresswire.com/ -- Truck Depot, an Oregon-based national provider of secure semi-truck parking and services facilities, announced the grand opening of its newest facility and corporate headquarters at 23012 NE Sandy Blvd in Fairview Oregon around October 15th, 2022.

This recent announcement comes after a two-year process to build out the company's most advanced private truck parking and services facility in Fairview Oregon. Offering a safe solution to the trucking industry's most prolific epidemic of the lack of truck short-term (overnight) and long-term (monthly) parking, they have moved to the forefront of an industry desperately in need of even more truck depot-like facilities.

As one of the only single "one-stop shop" companies in the US serving the trucking and logistics industry with the best solution to the national truck parking crisis, [the truck depot](#) continues to grow across the continental United States from the west coast eastward aggressively.
