

# John Schneider Risks It All for the American Flag in Upcoming Film, TO DIE FOR

NASHVILLE, TN, USA, October 11, 2022

[/EINPresswire.com/](http://EINPresswire.com/) -- John Schneider steers right of Hollywood with his upcoming movie, TO DIE FOR (Maven Entertainment) – Available on DVD and streaming at [CineflixDOD.com](http://CineflixDOD.com) on October 20th. Schneider wrote, directed and stars in this highly anticipated film, which was produced by his wife and filmmaking partner, Alicia Allain.

TO DIE FOR takes a stand for patriotism and the American flag, which won't shock Schneider fans who have watched the American icon boldly embrace and proclaim his conservative views in recent years. The powerful and gripping drama takes on the feel of a Clint Eastwood film, with Schneider front and center for one of the most impassioned performances of his career.

Frustrated by the liberal left and what he deems the destruction of the country he risked his life for, reclusive veteran Quint North (Schneider) is ordered by the court to keep his distance from the local high school with the American flag on the back of his El Camino or face a fine and jail time. In an ultimate exhibition of patriotism, he sets forth a series of events that just may get him killed in his own front yard.

"We made this movie with a crew of under 10 people over the last 10 months because we had to," says Schneider. "The madness has gotten to the point where something must be done. All great movements and reclamations begin with a single thought and a God-given means of expression. This is mine."

The film features a score by Larry Hall, and opens with the stunning new song, "That's Why We Stand" by Country Music superstar Billy Dean.

"This movie is intensely patriotic," says Schneider unapologetically. "If patriotism offends you in any way, watch this film. If you are still offended, move."
