Created following Nichole’s story of physical suffering from scoliosis, resulting depression, hope and eventual healing, and after the passing of Big Daddy Weave founding member Jay Weaver earlier this year, “God Is In This Story” and its compelling concept video became a resounding declaration for both artists.

“

There’s no story that doesn’t matter to God. Every story was written by Him, and He’s the greatest author of all time.”

Cowriting the song with Grammy®-nominated songwriters Ethan Hulse and Jeff Pardo, Nichole affirms, “There’s no story that doesn’t matter to God. Every story was written by Him, and He’s the greatest author of all time. If you truly believe with your whole heart that God is good, even in the hard times of life, then you’ll see how He was in your story the entire time. People can see God through us when we

tell our stories, and that’s how they’ll know how faithful Jesus truly is. It’s really amazing how something I once thought of as my story has become our story.”

Big Daddy Weave’s Mike Weaver shares, “We are so grateful for how this song has been received, and equally grateful for how it has spoken to us during one of the hardest times of our lives. God has used it to remind us that He is with us through the hurt, and how valuable that is.”

Nichole is currently on tour with Jeremy Camp before joining Matthew West next month for a series of events. The 2022 Dove Award-nominated artist then wraps up her year on the K-LOVE Christmas Tour.

Big Daddy Weave is headlining their Only The Beginning tour this fall with guest artists Austin French and Hannah Kerr and are in preparations for their Spring 2023 tour.

About Katy Nichole:

Singer/songwriter and 2022 breakout Centricity Music artist Katy Nichole was singing in her church choir long before 150+ million people around the world

heard her 2022 Dove Award-nominated, K-LOVE Fan Award-winning "In Jesus Name (God of Possible)," which is the first song this decade to reach 20-weeks at No. 1 on the Hot Christian Songs chart. Writing songs and leading worship by age 18, Nichole's relationship with both music and God is inextricably intertwined with her path to health and wholeness. Now 22, and having served as both an ambassador for the Shriners Hospitals for Children® and as a volunteer for Musicians On Call, Nichole made her Grand Ole Opry debut June 18, released her first EP June 24, and realized her second-straight No. 1 with "God Is In This Story.
